Use your funded childcare

Many families are eligible for 15 or 30 hours of free childcare per week. At Ark Start, these funded hours can be used term-time only or stretched all year round, without the need to pay for additional sessions. Read our [guide to funded nursery places](#) or speak to our nursery team to understand your entitlements.

Have you tried our calculator?

Childcare costs can be confusing, especially when working out fees alongside your funded hours. We've made it simple – enter your child's age, funding entitlement, and schedule preferences to see your costs.
